## CONCERNANT NOTRE ENTREPRISE.

Kit Service Sarl is an entirely Congolese company, specialized in the provision of services and focused on business facilitation in the Democratic Republic of the Congo.

In today's competitive business environment, KIT Service Sarl presents itself as an essential resource for your business to its business goals. With 3 years of experience in the DRC, specifically in the Lualaba Province, Kolwezi City, Kit Service Sarl is led by competent and experienced professionals who are aware of and master the complexity of the business world in DRC.

Our goal is to meet customers' needs for major identification and to offer them high-quality goods and services to accompany and relieve them in their daily activities. That is why we have a competent and experienced technical team that can provide technical support and solve problems. We regularly conduct market research to offer our customers and partners goods and services with added value. Honesty is our engine and the key to our success.

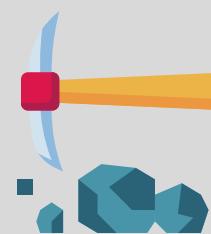

# OUR OBJECTIVES

1. Providing a cost-effective subcontracting of high-quality products and services using the most cost effective method.
2. To accompany our customers in improving their production by offering high quality service in a competitive timeframe.
3. As a reliable partner for our customers, we are able to meet their human resources needs.

# CUSTOMER TESTIMONIALS

## Testimonials of M. Jean

I would like to express my utmost satisfaction with the construction services provided by KITPRODUCT. From the very beginning of the project, the team demonstrated exemplary professionalism and attentive listening to our specific needs.

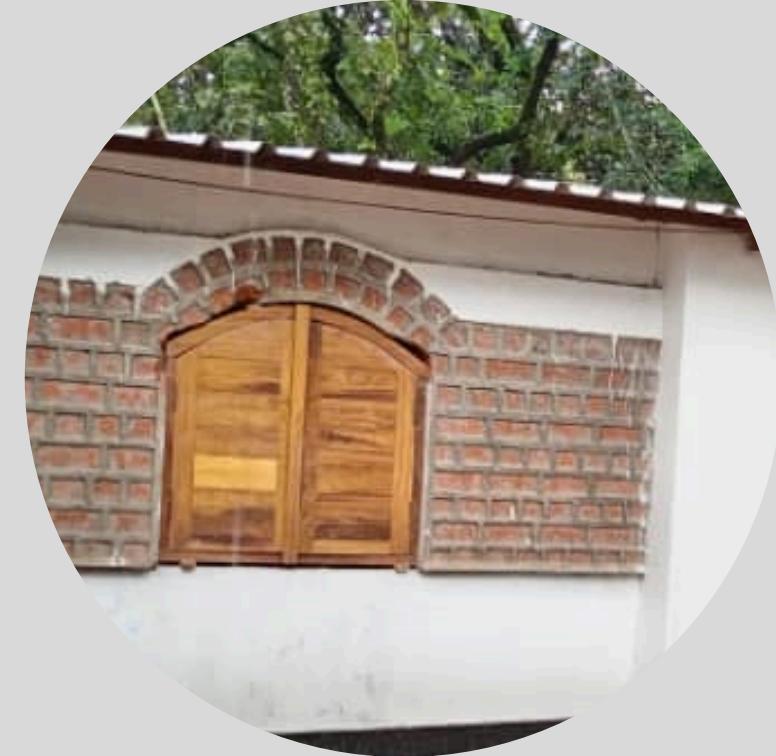

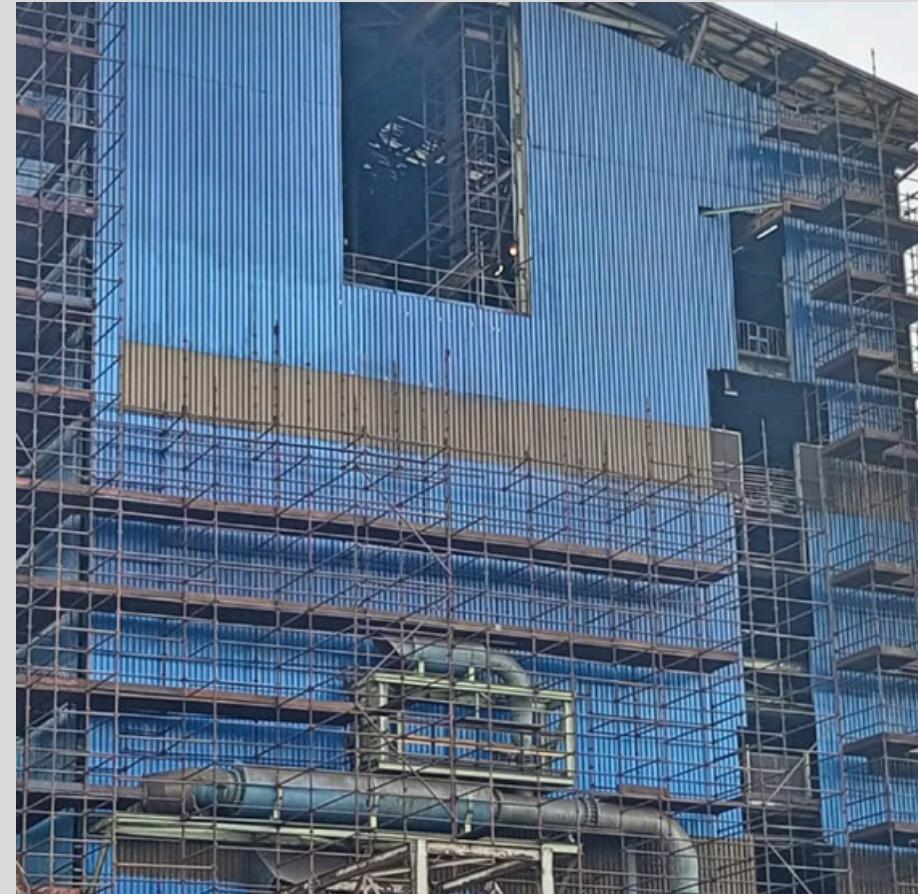

We are particularly impressed with the team's ability to anticipate and resolve the technical challenges that arose, ensuring that the project remained on track. The end result exceeded our expectations, providing a modern, functional and aesthetically pleasing workspace for our company.

I highly recommend KITPRODUCT to any individual or organization requiring reliable and high-quality construction services. Their dedication and skill made our project a true success.

## Testimonials of M. Alain

The welding work was carried out with great precision and on time, which is essential in our field where meeting deadlines is crucial. The quality of the welds is impeccable, and the finishes are remarkably precise. In addition, the team was very courteous and kept the site clean and organized, which was greatly appreciated by our team on site. The post-work follow-up was also exemplary, with careful checks to ensure that everything was in line with our expectations.

# Testimonials from major companies

## Testimonials of KAMOOA COPPER SA

We, KAMOA COPPER SA, would like to express our complete satisfaction with the services provided by KIT PRODUCT SARL. From the beginning of our collaboration, we have been impressed by their professionalism, rigor and ability to understand our specific needs.

Their team competently and efficiently managed all phases of our construction project, respecting the deadlines and the planned budget. The quality of their work exceeded our expectations, and we particularly appreciated their attention to detail as well as their flexibility in the face of changes and unforeseen events.

We recommend them without reservation for any construction project, whether small or large. We are confident that their expertise and professionalism will continue to benefit many other clients, just as it has done for us.

## Testimonials of KCC

Despite the challenges encountered, Kit Product Sarl was able to deliver the project on time and within the initially agreed budget, which is a testament to their rigor and proactive management.

We highly recommend Kit Product Sarl to any company or individual looking for a trusted partner for their construction projects. Their commitment to excellence and customer satisfaction is undeniable.
